

ACTIVE CISCE

Last year, the CISCE had launched ACTIVE CISCE – a mandatory, comprehensive programme aimed at the holistic development of all students from Class I to Class XII, stressing on the importance of physical activity in every child's well-being.

We have received detailed assessment reports for the 2025-2026 session from the CISCE, which we have already started forwarding to parents through e-mail. All reports will be shared in a while.

For the current session 2026-2027, parents are required to pay a cover charge of ₹200 per child, which will take care of Council registration fees, training for various physical tests stipulated by the CISCE as well as partially meeting various expenses incurred towards the training.

The payment is to be made in cash (in exact denomination) to the School Office by Friday, July 24, 2026. Timings: 9:30 am to 10:00 am; 4:00 pm to 6:00 pm (Monday to Friday). We will not be able to issue any receipt as payment will be made to the CISCE. All late payments received by the School Office after the 24th of July will attract a penalty of ₹100 per payment.

Date: 15.07.2026
