

Consent forms for the 2026-2027 SOF Olympiad Exams and the WIZ Foundation Spell Bee, Handwriting & Drawing exams are being distributed to Classes 1 to 12. It is not compulsory to take part in any Olympiad but it is recommended to take part in the WIZ Spell Bee because of the standard that they maintain when it comes to helping children improve. Parents are requested to go through the forms and decide which exams they want their wards to take part in. WIZ Foundation forms along with the money (in a sealed envelope) can be submitted to the class teacher of each class **from the 27th of July**. SOF Consent forms duly filled can be submitted to Ananya di (Office) or Arkaparna di during office hours **from the 3rd of August** along with a sealed envelope containing the money for exam fess and books. Please make sure to bring the **exact change** when sending money for either Olympiad. Forms for the SilverZone Olympiad exams will be distributed after a few more days. The last date for registrations for the WIZ Foundation exams is **the 10th of August**. The last date **for Exam registrations** for the SOF Olympiads is **the 29th of August** but it is preferred that those who **need books** register by **the 17th of August** so that we can get your books by the 2nd week of September.
